RE: CC Docket 02-33 Notice of Permissive Detariffing of Wireline Broadband  
Internet Access Service by Cuba City Telephone Exchange Co., Inc. (Study Area 330872)

Dear Ms. Dortch:

Pursuant to the Commission's *Wireline Broadband Order*, Cuba City Telephone Exchange Co., Inc. hereby provides notice of its intent to discontinue offering wireline broadband Internet access service on a tariffed basis. Effective July 1, 2010, Cuba City Telephone Exchange Co., Inc. plans to offer wireline broadband Internet access service on a permissive detariffed, common carriage basis.

Please direct any questions to the undersigned.

Sincerely,

Deb Egli

CC Docket No. 02-33

May 11, 2010

Cuba City Telephone Exchange Co., Inc. (CCTEC) hereby provides notice that it intends to cease offering wireline broadband Internet access service on a tariffed basis. Effective July 1, 2010 CCTEC will begin offering wireline broadband Internet access service on a Title II, common carriage, permissive detariffed basis pursuant to paragraph 94 of the Federal Communications Commission's Wireline Broadband Order.<sup>1</sup> The geographic areas affected are those CCTEC exchanges where DSL is technically feasible.

Today, this service is provided to Mount Horeb Telephone Co., Inc and LaGrant Connections, LLC. Both ISP's purchase wireline broadband access service for use as a component in their broadband Internet service sold to residential and business consumers. End user service provided by both will not be affected by discontinuance of the tariffed offering by CCTEC. As stated in the attached customer notice, CCTEC will continue to offer services to existing ISP customers under current rates, terms and conditions until the end of their current term or upon replacement with a Broadband Commercial Agreement. Broadband Commercial Agreements will be made available in a nondiscriminatory manner to any provider desiring to purchase wireline broadband access service for use as a component in its broadband Internet service sold to consumers.

Effective July 1, 2010, CCTEC will make its wireline broadband Internet access service on a permissive detariffed, common carriage basis through posting of rates, terms and conditions available in printed copy during normal business hours at CCTEC's business office located at 121 N. Washington St., Cuba City, 53807.

RE: Service Notification

Dear Valued Customer:

Our records indicate that LaGrant Connections, LLC is currently purchasing wholesale broadband transport services from Cuba City Telephone Exchange Co., Inc. ("CCTEC") under NECA tariff No. 5 ("Tariff"). This letter is to advise you that CCTEC's study area 330872 will discontinue provisioning service on July 1, 2010 pursuant to the Tariff. Services will be made available to you on a common carrier, non-tariffed basis. The existing relevant rates, terms and conditions will not change until the end of your term or until replaced by a Broadband Commercial Agreement.

The rates, terms and conditions for the Broadband Commercial Agreement will be available in printed copy during normal business hours at CCTEC's business office located at 121 N Washington St., Cuba City, WI 53807.

The actions described above are taken in accordance with the FCC's Report and Order (FCC 05-150) released September 23, 2005 in Docket No. 02-33. In this order the FCC determined that facilities-based wireline broadband internet service providers could offer their services on a common carrier, permissively detariffed basis.

No action is necessary on your part. However, if you have any questions, please feel free to contact me.

Sincerely,

Deb Egli  
General Manager
